Ron Borsellino talked to Scott Perry, DEP Deputy Secretary for II and Gas Management regarding the tentative date for the meeting w/Cabot, explaining that we will be getting an agenda from Cabot and that we would share with DEP and that we are asking Cabot to share the information they are providing to us with DEP. Scott can not make the meeting on 2/22, but will see who else from DEP could make it. Ron informed Scott that R3 ORC had also invited DEP council.
